Colorado Indigent Care Program (CICP)

This reference document is provided for attorneys and clients who are seeking information on subrogation rights concerning discounted medical services provided under the Colorado Indigent Care Program (CICP). Information provided in this document: CICP Subrogation Policy, Relevant Regulations and Provider Contract.

CICP Subrogation Policy:

The Colorado Indigent Care Program (CICP) is not an insurance company. The CICP is a state program that provides partial reimbursement (grants) to providers for offering medical care to eligible underinsured and uninsured residents. There is no guarantee of medical benefits or services to clients under this program. The CICP does not directly pay medical claims related to any client or for any specific medical service provided to the client. Statutes concerning the CICP can be found at 26-15-101 through 26-15-112, Colorado Revised Statutes (C.R.S.) and regulations concerning the CICP can be found at Code of Colorado Regulations (CCR) at 10 CCR 2505-10, sections 8.900, et seq. The Colorado Department of Health Care Policy and Financing administers the CICP.

The CICP does not have any subrogation rights concerning any settlements or judgments, but those rights are retained by the facility where the medical service was provided (the provider). The provider is obligated to make all reasonable efforts to collect amounts due from third party coverage and applicable co-payment amounts, and shall maintain auditable evidence of such efforts. The client's medical claims and service information, and any related charges, must be obtained directly from the provider and the client's attorney is obligated to request the relevant information directly from the provider. Through any settlement or judgment award, the provider has the right to recover all applicable charges related to the medical service provided, even if the initial charge was discounted under the CICP.

Relevant Regulations:

8.900 PROGRAM OVERVIEW

The Colorado Indigent Care Program (CICP) is a program that distributes federal and State funds to partially compensate qualified health care providers for uncompensated costs associated with services rendered to the indigent population. Qualified health care providers who receive this funding render discounted health care services to Colorado residents, migrant workers and legal immigrants with limited financial resources who are uninsured or underinsured and not eligible for benefits under the Medicaid Program or the Children's Basic Health Plan.

The Colorado Department of Health Care Policy and Financing (Department) administers the CICP by distributing funding to qualified health care providers who serve eligible persons who are indigent. The CICP issues procedures to ensure the funding is used to serve the indigent population in a uniform method. Any significant departure from these procedures will result in termination of the contract with, and the funding to, a health care provider. The legislative authority for this program was enacted in 1983 and is at 26-15-101, et seq., C.R.S., the "Reform Act for the Provision of Health Care for the Medically Indigent."

The CICP does not offer a specified discounted medical benefit package or an entitlement to medical benefits or funding to individuals or medical providers. The CICP does not offer a health coverage plan as defined in Section 10-16-102 (22.5), C.R.S. Medically indigent persons receiving discounted health care services from qualified health care providers are subject to the limitations and requirements imposed by article 15, title 26, C.R.S.

8.903 F. HIPAA

The Department has determined that the Colorado Indigent Care Program (CICP) is NOT a "covered entity" under the Health Insurance Portability and Accountability Act of 1996 privacy regulations (45 C.F.R. Parts 160 and 164). Because the Colorado Indigent Care Program (CICP) is not a part of Medicaid, and its principal activity is the making of grants to providers who serve eligible persons who are medically indigent, CICP is not considered a covered entity under HIPAA. The state personnel administering the CICP will provide oversight in the form of procedures and conditions, to ensure funds provided are being used to serve the target population, but they will not be significantly involved in any health care decisions or disputes involving a qualified health care provider or client.

The two month extension shall immediately terminate when and if a replacement contract is approved and signed by the Colorado State Controller or an authorized designee, or at the end of two months, whichever is earlier.

6. STATEMENT OF WORK (SOW)

A. Completion

Contractor shall complete the Work and its other obligations as described in this Contract on or before _____. The State shall not be liable to compensate Contractor for any Work performed prior to the Effective Date or after the expiration or termination of this Contract.

C. Independent Contractor

7. PAYMENTS TO CONTRACTOR

The State shall, in accordance with the provisions of this § 7, Exhibit A, Statement of Work, pay Contractor in the amounts and using the methods set forth below:

A. Maximum Amount

Uncontested amounts not paid by the State within forty-five (45) days shall bear interest on the unpaid balance beginning on the forty-sixth (46th) day at a rate not to exceed one percent (1%) per month until paid in full; provided, however, that interest shall not accrue on unpaid amounts that are subject to a good faith dispute. Contractor shall invoice the State separately for accrued interest on delinquent amounts. The billing shall reference the delinquent payment, the number of days' interest to be paid and the interest rate.

D. Available Funds-Contingency-Termination

The State is prohibited by law from making commitments beyond the term of the State's current fiscal year. Therefore, Contractor's compensation beyond the State's current fiscal year is contingent upon the continuing availability of State appropriations as provided in the Colorado Special Provisions. If federal funds are used to fund this Contract in whole or in part, the State's performance hereunder is contingent upon the continuing availability of such funds. Payments pursuant to this Contract shall be made only from available funds and the State's liability for such payments shall be limited to the amount remaining of such available funds. If State or federal funds are not fully appropriated or otherwise become unavailable for this Contract, the State may terminate it in whole or to the extent of funding reduction, without further liability, after providing notice to Contractor in accordance with § 16.

E. Erroneous Payments

At the State's sole discretion, payments made to Contractor in error for any reason, including, but not limited to, overpayments or improper payments, may be recovered from Contractor by deduction from subsequent payments under this Contract or other contracts, grants or agreements between the State and Contractor or by other appropriate methods and collected as a debt due to the State. Such funds shall not be paid to any party other than the State.

8. REPORTING – NOTIFICATION

Reports required under this Contract shall be in accordance with the procedures and in such form as prescribed by the State.

A. Litigation Reporting

Within ten (10) days after being served with any pleading in a legal action filed with a court or administrative agency, related to this Contract or which may affect Contractor's ability to perform its obligations hereunder, Contractor shall notify the State of such action and deliver copies of such pleadings to the State's principal representative as identified herein. If the State's principal representative is not then serving, such notice and copies shall be delivered to the Executive Director of the Department.

9. CONTRACTOR RECORDS

A. Maintenance

Contractor shall make, keep, maintain, and allow inspection and monitoring by the State of a complete file of all records, documents, communications, notes, and other written materials, electronic media files and electronic communications, (except medical records of CICP patients) pertaining in any manner to the Work or the delivery of Services or Goods hereunder. All such records, documents, communications and other materials shall be the

property of the State, and shall be maintained by the Contractor in a central location and the Contractor shall be custodian on behalf of the State.

B. Inspection

Contractor shall permit the State, the federal government and any other duly authorized agent of a governmental agency to audit, inspect, examine, excerpt, copy and/or transcribe Contractor's records related to this Contract during the Record Retention Period, to assure compliance with the terms hereof or to evaluate performance hereunder. The State reserves the right to inspect the Work at all reasonable times and places during the term of this Contract, including any extensions or renewals. If the Work fails to conform to the requirements of this Contract, the State may require Contractor promptly to bring the Work into conformity with Contract requirements, at Contractor's sole expense. If the Work cannot be brought into conformance by re-performance or other corrective measures, the State may require Contractor to take necessary action to ensure that future performance conforms to Contract requirements and exercise the remedies available under this Contract, at law or in equity, in lieu of or in conjunction with such corrective measures.

C. Monitoring

Contractor shall permit the State, the federal government and any other duly authorized agent of a government agency, in their sole discretion, to monitor all activities conducted by Contractor pursuant to the terms of this Contract using any reasonable procedure, including, but not limited to: internal evaluation procedures, examination of CACP data, special analyses, on-site checking, formal audit examinations, or any other procedure. All monitoring controlled by the State shall be performed in a manner that shall not unduly interfere with Contractor's performance hereunder.

D. Final Audit Report

If an audit is performed on Contractor's records for any fiscal year covering a portion of the term of this Contract, Contractor shall submit a copy of the final audit report to the State or its principal representative at the address specified herein.

10. CONFIDENTIAL INFORMATION

Contractor shall comply with the provisions of this § 10 if it becomes privy to confidential information in connection with its performance hereunder. A. Confidentiality

Contractor shall keep all State records and information confidential at all times and comply with all laws and regulations concerning confidentiality of information. Any request or demand by a third party for State records and information in the possession of Contractor shall be immediately forwarded to the State's principal representative.

B. Health Insurance Portability & Accountability Act of 1996 ("HIPAA")

i. Federal Law and Regulations

Pursuant to federal law and regulations governing the privacy of certain health information, the Contractor, to the extent applicable, shall comply with the Health Insurance Portability and Accountability Act of 1996, 42 U.S.C. § 1320d – 1320d-8 ("HIPAA") and its implementing regulations promulgated by the U.S. Department of Health and Human Services, 45 C.F.R. Parts 160 and 164 (the "Privacy Rule") and other applicable laws, as amended.

ii. Confidentiality of Records

Whether or not an Addendum is attached to this Contract, the Contractor shall protect the confidentiality of all records and other materials containing personally identifying information that are maintained in accordance with the Contract and comply with HIPAA rules and regulations. Except as provided by law, no information in possession of the Contractor about any individual constituent shall be disclosed in a form including identifying information without the prior written consent of the person in interest, a minor's parent, or guardian. The Contractor shall have written policies governing access to, duplication and dissemination of, all such information. The Contractor shall advise its employees, agents and subcontractors, if any, that they are subject to these confidentiality requirements. The Contractor shall provide its employees, agents and subcontractors, if any, with a copy or written explanation of these confidentiality requirements before access to confidential data is permitted. No confidentiality requirements contained in this Contract shall negate or supersede the provisions of the federal Health Insurance Portability and Accountability Act of 1996.

C. Notification

Contractor shall notify its agents, employees, Subcontractors and assigns who may come into contact with State records or other confidential information that each is subject to the confidentiality requirements set forth herein, and shall provide each with a written explanation of such requirements before permitting them to access such records and information.

D. Use, Security, and Retention

Confidential information of any kind shall not be distributed or sold to any third party or used by Contractor or its agents in any way, except as authorized by this Contract or approved in writing by the State. Contractor shall provide and maintain a secure environment that ensures confidentiality of all State records and other confidential information wherever located. Confidential information shall not be retained in any files or otherwise by Contractor or its agents, except as permitted in this Contract or approved in writing by the State.

E. Disclosure-Liability

Disclosure of State records or other confidential information by Contractor for any reason may be cause for legal action by third parties against Contractor, the State or their respective agents. Contractor shall indemnify, save, and hold harmless the State, its employees and agents, against any and all claims, damages, liability and court awards including costs, expenses, and attorney fees and related costs, incurred as a result of any act or omission by Contractor, or its employees, agents, Subcontractors, or assignees pursuant to this § 10.

11. CONFLICTS OF INTEREST

A. Contractor shall not engage in any business or personal activities or practices or maintain any relationships which conflict in any way with the full performance of Contractor's obligations hereunder. Contractor acknowledges that with respect to this Contract, even the appearance of a conflict of interest is harmful to the State's interests. Absent the State's prior written approval, Contractor shall refrain from any practices, activities or relationships that reasonably appear to be in conflict with the full performance of Contractor's obligations to the State hereunder. If a conflict or appearance exists, or if Contractor is uncertain whether a conflict or the appearance of a conflict of interest exists, Contractor shall submit to the State a disclosure statement setting forth the relevant details for the State's consideration. Failure to promptly submit a disclosure statement or to follow the State's direction in regard to the apparent conflict constitutes a breach of this Contract.

B. The Contractor (and Subcontractors or subgrantees permitted under the terms of this Contract) shall maintain a written code of standards governing the performance of its employees engaged in the award and administration of contracts. No employee, officer or agent of the Contractor, Subcontractor or subgrantee shall participate in the selection, or in the award or administration of a contract or subcontract supported by federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

- i. The employee, officer or agent;
- ii. Any member of the employee's immediate family;
- iii. The employee's partner; or

- iv. An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The Contractor's, Subcontractor's, or subgrantee's officers, employees, or agents will neither solicit nor accept gratuities, favors, or anything of monetary value from Contractors, potential Contractors, or parties to subagreements.

12. REPRESENTATIONS AND WARRANTIES

Contractor makes the following specific representations and warranties, each of which was relied on by the State in entering into this Contract.

A. Standard and Manner of Performance

Contractor represents that it has the requisite skills to perform its obligations hereunder and shall do so in accordance with the highest standards of care, skill and diligence in Contractor's industry, trade, or profession and in the sequence and manner set forth in this Contract.

C. Licenses, Permits, Etc.

Contractor represents and warrants that as of the Effective Date it has, and that at all times during the term hereof it shall have and maintain, at its sole expense, all licenses, certifications, approvals, insurance, permits and other authorizations required by law to perform its obligations hereunder. Contractor warrants that it shall maintain all necessary licenses, certifications, approvals, insurance, permits, and other authorizations required to properly perform this Contract, without reimbursement by the State or other adjustment in the Contract. Additionally, all employees, agents, and Subcontractors of Contractor performing Services under this Contract shall hold all required licenses or certifications, if any, to perform their responsibilities. Contractor, if a foreign corporation or other foreign entity transacting business in the State of Colorado, further warrants that it currently has obtained and shall maintain any applicable certificate of authority to transact business in the State of Colorado and has designated a registered agent in Colorado to accept service of process. Any revocation, withdrawal or non-renewal of licenses, certifications, approvals, insurance, permits or any such similar

requirements necessary for Contractor to properly perform the terms of this Contract is a material breach by Contractor and constitutes grounds for termination of this Contract.

Contractor shall require each contract with a Subcontractor that is a public entity, to include the insurance requirements necessary to meet such Subcontractor's liabilities under the GIA.

- v. **Primacy of Coverage**
Coverage required of Contractor and Subcontractor shall be primary over any insurance or self-insurance program carried by Contractor or the State.

C. Certificates

No later than fifteen (15) days prior to the expiration date of any such coverage, Contractor and each Subcontractor shall deliver to the State or Contractor certificates of insurance evidencing renewals thereof. In addition, upon request by the State at any other time during the term of this Contract or any subcontract, Contractor and each Subcontractor shall, within ten (10) days of such request, supply to the State evidence satisfactory to the State of compliance with the provisions of this § 13.

14. BREACH

A. Defined

In addition to any breaches specified in other sections of this Contract, the failure of the Contractor to perform any of its material obligations hereunder in whole or in part or in a timely or satisfactory manner, constitutes a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within twenty (20) days after the institution or occurrence thereof, shall also constitute a breach.

B. Notice and Cure Period

In the event of a breach, the State shall notify the Contractor of such in writing in the manner provided in § 16. If such breach is not cured within ten (10) days of receipt of written notice, the State may exercise any of the remedies set forth in § 15. Notwithstanding anything to the contrary herein, the State, in its sole discretion, need not provide advance notice or a cure period and may immediately terminate this Contract in whole or in part if reasonably necessary to preserve public safety or to prevent immediate public crisis.

C. Termination by Contractor

Contractor agrees to provide the Department with at least sixty (60) days prior written notice in the event of termination of this contract for any reason, including, but not limited to, cessation of business, election to no longer participate, or any transfer of the ownership, administration, operation, or substantially all the assets of said business.

This provision shall not apply in the case where amendments to this contract or revisions, including additions, to the regulations of the Department affecting the CICP are determined to be unacceptable to Contractor and for such reason

Contractor elects to discontinue participation in the CICP. In such event, Contractor shall notify the Department in writing of its intent to discontinue participation in the CICP, and Contractor and the Department shall forthwith negotiate the termination date. In no event shall such negotiated termination date exceed a sixty (60) day period from the date of original notification from Contractor. In the event of such termination, Contractor shall be obligated to return any payment advanced under the provisions of this Contract.

15. REMEDIES

A. Termination for Cause and/or Breach

If Contractor is in breach under any provision of this Contract, provided that a breach is not necessary under § 15(B), the State shall have all of the remedies listed in this § 15 in addition to all other remedies set forth in other sections of this Contract, and without limiting its remedies otherwise available at law or equity, following the notice and cure period set forth in § 14.B. Remedies are cumulative and the State may exercise any or all of the remedies available to it, in its sole discretion, concurrently or consecutively. The State may terminate this entire Contract or any part of this Contract. Exercise by the State of this right shall not be a breach of its obligations hereunder.

i. Obligations and Rights

To the extent specified in any termination notice, Contractor shall not incur further obligations or render further performance hereunder past the effective date of such notice, and shall terminate outstanding orders and subcontracts with third parties. However, Contractor shall complete and deliver to the State all Work, Services and Goods not cancelled by the termination notice. Contractor shall continue performance of this Contract up to the effective date of the termination. To the extent the Contract is not terminated, if any, Contractor shall continue performance until the expiration of this Contract. At the sole discretion of the State, Contractor shall assign to the State all of Contractor's right, title, and interest under such terminated orders or subcontracts. Upon termination, Contractor shall take timely, reasonable and necessary action to protect and preserve property in the possession of Contractor in which the State has an interest. All materials owned by the State in the possession of Contractor shall be immediately returned to the State. All Work Product, at the option of the State, shall be delivered by Contractor to the State and shall become the State's property. The Contractor shall be obligated to return any payment advanced under the provisions of this Contract.

ii. Payments

The State shall reimburse Contractor only for accepted performance up to the effective date of the termination. If, after termination by the State, it is determined that Contractor was not in breach or that Contractor's action or

inaction was excusable, such termination shall be treated as a termination in the public interest and the rights and obligations of the Parties shall be the same as if this Contract had been terminated in the public interest, as described herein.

iii. Damages and Withholding

Notwithstanding any other remedial action by the State, Contractor shall remain liable to the State for any damages sustained by the State by virtue of any breach under this Contract by Contractor and the State may withhold any payment to Contractor for the purpose of mitigating the State's damages, until such time as the exact amount of damages due to the State from Contractor is determined. The State may withhold any amount that may be due Contractor as the State deems necessary to protect the State against loss, including loss as a result of outstanding liens, claims of former lien holders, or for the excess costs incurred in procuring similar goods or services. Contractor shall be liable for excess costs incurred by the State in procuring from third parties replacement Work, Services or substitute Goods as cover.

B. Early Termination in the Public Interest

The State is entering into this Contract for the purpose of carrying out the public policy of the State of Colorado, as determined by its Governor, General Assembly, and/or courts. If this Contract ceases to further the public policy of the State, the State, in its sole discretion, may terminate this Contract, in whole or in part. Exercise by the State of this right shall not constitute a breach of the State's obligations hereunder. This subsection shall not apply to a termination of this Contract by the State for cause or breach by Contractor, which shall be governed by § 15.A or as otherwise specifically provided for herein.

i. Method and Content

The State shall notify Contractor of such termination in accordance with §16. The notice shall specify the effective date of the termination, which shall be at least twenty (20) days, and whether it affects all or a portion of this Contract.

ii. Obligations and Rights

Upon receipt of a termination notice, Contractor shall be subject to and comply with the same obligations and rights set forth in § 15.A.i.

iii. Payments

If this Contract is terminated by the State pursuant to this § 15.B, Contractor shall be paid an amount which bears the same ratio to the total reimbursement under this Contract as Contractor's obligations that were satisfactorily performed bear to the total obligations set forth in this Contract, less payments previously made. Additionally, if this Contract is

less than 60% completed upon the effective date of such termination, the State may reimburse Contractor for a portion of actual out-of-pocket expenses (not otherwise reimbursed under this Contract) incurred by Contractor prior to the effective date of the termination in the public interest which are directly attributable to the uncompleted portion of Contractor's obligations hereunder; provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Contractor hereunder.

The State, in its sole discretion, may exercise one or more of the following remedies in addition to other remedies available to it:

Withhold payment to Contractor until Contractor's performance or corrections in Contractor's performance are satisfactorily made and completed.
- iii. **Deny/Reduce Payment**
Deny payment for those obligations not performed in conformance with Contract requirements, that due to Contractor's actions or inactions, cannot be performed or, if performed, would be of no value to the State; provided, that any denial or reduction of payment shall be reasonably related to the value to the State of the obligations not performed.
- iv. **Removal**
Notwithstanding any other provision herein, the State may demand immediate removal of any of Contractor's employees, agents, or Subcontractors whom the State deems incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued relation to this Contract is deemed to be contrary to the public interest or the State's best interest.
- v. **Intellectual Property**

K. Survival of Certain Contract Terms

Notwithstanding anything herein to the contrary, provisions of this Contract requiring continued performance, compliance, or effect after termination hereof, shall survive such termination and shall be enforceable by the State if Contractor fails to perform or comply as required.

L. Taxes

The State is exempt from all federal excise taxes under IRC Chapter 32 (No. 84-730123K) and from all State and local government sales and use taxes under CRS §§39-26-101 and 201, *et seq.* Such exemptions apply when materials are purchased or services are rendered to benefit the State; provided, however, that certain political subdivisions (e.g., City of Denver) may require payment of sales or use taxes even though the product or service is provided to the State. Contractor shall be solely liable for paying such taxes as the State is prohibited from paying or reimbursing Contractor for such taxes.

M. Third Party Beneficiaries

Enforcement of this Contract and all rights and obligations hereunder are reserved solely to the Parties. Any services or benefits which third parties receive as a result of this Contract are incidental to the Contract, and do not create any rights for such third parties.

B. Federal Audit Provisions

Office of Management and Budget (OMB) Circular No. A-133 Audits of States, Local Governments, and Non-Profit Organizations defines audit requirements under the Single Audit Act of 1996 (Public Law 104-156). All state and local governments and non-profit organizations expending \$500,000 or more from all sources (direct or from pass-through entities) are required to comply with the provisions of Circular No. A-133. The Circular also requires pass-through entities to monitor the activities of subrecipients and ensure that subrecipients meet the audit requirements. To identify its pass-through responsibilities, the State of Colorado requires all subrecipients to notify the State when expected or actual expenditures of federal assistance from all sources equal or exceed \$500,000.

C. Debarment and Suspension

- i. If this is a covered transaction or the Contract amount exceeds \$100,000, the Contractor certifies to the best of its knowledge and belief that it and its principals and Subcontractors are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency.

- ii. This certification is a material representation of fact upon which reliance was placed when the State determined to enter into this transaction. If it is later determined that the Contractor knowingly rendered an erroneous certification, in addition to other remedies available at law or by contract, the State may terminate this Contract for default.
- iii. The Contractor shall provide immediate written notice to the State if it has been debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded by any Federal department or agency.
- iv. The terms "covered transaction," "debarment," "suspension," "ineligible," "lower tier covered transaction," "principal," and "voluntarily excluded," as used in this paragraph, have the meanings set out in 2 CFR Parts 180 and 376.
- v. The Contractor agrees that it will include this certification in all lower tier covered transactions and subcontracts that exceed \$100,000.

D. Force Majeure

Neither the Contractor nor the State shall be liable to the other for any delay in, or failure of performance of, any covenant or promise contained in this Contract, nor shall any delay or failure constitute default or give rise to any liability for damages if, and only to the extent that, such delay or failure is caused by "force majeure." As used in this Contract, "force majeure" means acts of God; acts of the public enemy; acts of the state and any governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather.

E. Disputes

Except as herein specifically provided otherwise, disputes concerning the performance of this Contract which cannot be resolved by the designated Contract representatives shall be referred in writing to a senior departmental management staff designated by the State and a senior manager designated by the Contractor. Failing resolution at that level, disputes shall be presented in writing to the Executive Director of the State and the Contractor's Chief Executive Officer for resolution. This process is not intended to supersede any other process for the resolution of controversies provided by law.

- ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an office or employee of any agency, a Member of Congress, an office or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative Contract, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- iii. The undersigned shall require that the language of this certification be included in the award documents for all sub awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative Contracts) and that all subrecipients shall certify and disclose accordingly.
- iv. This certification is a material representation of fact upon which reliance was placed when the transaction was made or entered into. Submission of the certification is a requisite for making or entering into transaction imposed by Section 1352, Title 31, U. S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

EXHIBIT A STATEMENT OF WORK

1. GENERAL DESCRIPTION

The Colorado Indigent Care Program (CICP) is a program that distributes federal and state funds to partially compensate participating providers for costs associated with services rendered to the indigent population. Providers receiving this funding render discounted health care services to Colorado residents, migrant workers, and legal immigrants with limited financial resources who are uninsured or underinsured and not eligible for benefits under the Medicaid Program or the Child Health Plan *Plus*. The CICP does not offer a specified discounted medical benefit package or an entitlement to medical benefits or funding to individuals or medical providers. The CICP does not offer a health coverage plan as defined in Section 10-16-102 (22.5), C.R.S.

2. BACKGROUND

The Colorado General Assembly enacted the “Reform Act for the Provision of Health Care for the Medically Indigent” in 1983. This law made it possible to use state funds to partially reimburse providers for services provided to the state’s medically indigent residents. This article was amended in 2006 and now stands as the enactment of the “Colorado Indigent Care Program”. Medically indigent persons receiving discounted health care services from qualified health care providers are subject to the limitations and requirements imposed by Part 1 of Article 3 in Title 25.5. The benefits offered under this program vary from provider to provider.

3. OBJECTIVE

The desired objective is to ensure the Contractor’s compliance with state and federal regulations and policies related to the CICP.

4. DEFINITIONS

The following terms as used herein shall be construed and interpreted as follows:

“Applicant” means an individual who has applied to receive discounted health care services through the CICP.

“Client” means an individual who is eligible to receive discounted health care services through CICP.

“Co-payment” means the portion of the Client’s medical bill he/she is responsible for paying.

“Emergency Care” means treatment for conditions of an acute, severe nature which are life, limb, or disability threats requiring immediate attention, where any delay in treatment would, in the judgment of the responsible physician, threaten life or loss of function of a patient or viable fetus (§25.5-3-103 (1), C.R.S.).

5. CONTRACTOR’S OBLIGATIONS

A. APPLICABLE LAWS AND RULES

Contractor shall abide by all applicable federal and state laws and rules, including, but not limited to, the provisions of §25.5-3-101, C.R.S. *et seq.*, and the Department’s regulations found in the Code of Colorado Regulations (CCR) at 10 CCR 2505-10, 8.900 *et seq.*, as they now exist or may hereafter be amended.

B. CICP GUIDELINES

Contractor shall abide by all the terms and provisions of the “Colorado Indigent Care Program Manual” (CICP Manual), as published and amended by the Department from time to time, unless the Department grants a written waiver of specific terms and provisions. Waivers may be granted or renewed by the Department each State fiscal year.

C. SERVICES

Contractor shall manage appropriated funds in such a way that Emergency Care services are provided to Clients throughout each State fiscal year, and to provide necessary medical services to Clients to the extent of Contractor's physical, staff and financial capabilities. Providers participating in the CICP shall prioritize care in the following order:

- i. Emergency Care for the full year,
- ii. Additional medical care for those conditions the State determines to be the most serious threat to the health of Clients, and
- iii. Any other additional medical care.

D. PATIENT ELIGIBILITY

Contractor shall require Applicants to provide proof of indigency and shall determine eligibility within CICP guidelines as described in the CICP Manual and Department regulations set forth in 10 CCR 2505-10, 8.900 *et seq.*

E. PARTICIPATING OBSTETRICIANS

Contractor agrees to abide by the obstetrician requirements of the CICP, such that the Department requires that a hospital must have at least two obstetricians with staff privileges at the hospital. These obstetricians must agree to provide obstetric services to Clients. In the case where a hospital is located in a rural area, that is, an area outside of a metropolitan statistical area, as defined by the U.S. Executive Office of

Management and Budget, the term “obstetrician” includes any physician with staff privileges at the hospital to perform non-emergency obstetric procedures. The obstetrics requirement does not apply to a hospital in which the patients are predominantly under 18 years of age, or which does not offer non-emergency obstetric services as of December 21, 1987.

F. TRANSFER OF PATIENTS

Contractor shall not transfer Clients to another provider without first obtaining the receiving provider's consent.

G. CO-PAYMENTS

In accordance with §25.5-3-101, C.R.S. *et seq.*, and the Department’s regulations set forth in 10 CCR 2505-10, 8.900 *et seq.*, Contractor shall not collect payments other than Co-payments from Clients, relatives of Clients or Client's estates for any unpaid services reimbursable through the CICP.

H. LICENSURE

Contractor certifies it has been granted a license to operate a hospital by the Colorado Department of Public Health and Environment, and that its license is currently in good standing. Contractor agrees to maintain this license in good standing throughout the term of this Contract or any extension(s) thereof.

I. THIRD PARTY AND PATIENT LIABILITY

Contractor shall make all reasonable efforts to collect amounts due from third party coverage and applicable Co-payment amounts, and shall maintain auditable evidence of such efforts.

J. COOPERATION

The Contractor shall give full cooperation to the Department and its duly authorized agents in the administration of the CICP.

K. AUTHORIZED SIGNER

The Contractor shall submit with this Contract written evidence of the authority of the authorized signer for the Contractor. This may be in the form of copies of corporate by-laws, a resolution of Contractor’s board of directors, or other sufficient evidence. Such authority must expressly empower the authorized signer to legally bind Contractor to all of the terms and conditions contained herein, and must also expressly delegate to such person the authority to represent Contractor in all future negotiations with the Department.

6. REIMBURSEMENT

A. REIMBURSEMENT

Contractor shall be reimbursed by the Department, with retroactive adjustment, in such amounts as may from time to time be set by the Department pursuant to 10 CCR 2505-10, 8.900 *et seq.* The Department shall send Contractor notification of the provider payments, other reimbursement and the maximum amount of State funds available for the purchase of services through the CICP. The Department shall send to Contractor, without prior notice, notification of any changes in the provider payment, other reimbursement or State's appropriated funding and statutory authority specified for the CICP.

B. DISALLOWANCES

The Contractor agrees to participate in any disallowances by the United States Department of Health and Human Services or the Centers for Medicare and Medicaid Services of reimbursements to the Contractor or transfers/contributions made by the Contractor. The Contractor agrees to return any federal funds to the Department that have been disallowed by the United States Department of Health and Human Services or the Centers for Medicare and Medicaid Services. If the Contractor fails to participate under this provision for any reason, the Department shall have the right, in addition to those remedies set out in the remedies section of this Contract, to withhold payment and/or have the right to terminate this contract due to default/cause.

C. LIMITATIONS

Contractor shall not be reimbursed for care rendered pursuant to its obligations under the federal Hill-Burton Act.
